The Loan

Section 3.01. Loan. The Lender hereby agrees to lend and advance to the Borrower and the Borrower hereby agrees to borrow and accept from the Lender, the Loan in the principal amount of \$111,870 for a term of Eight (8) Years at an interest rate of .75 %. The Lender shall disburse the proceeds of the Loan to the Borrower from amounts on deposit in the Fund. The Loan shall bear interest at the rate established by the Lender at its meeting at which this Loan was approved; such interest rate is stated on the repayment schedule attached hereto as **Exhibit D.** Amounts disbursed during construction shall bear interest at such rate, and such interest shall accrue and be added to principal for the periods from the Dates of Disbursement through the first Loan Repayment Date.

Section 3.02. Use of Proceeds by the Borrower. The Borrower will use the funds lent to it by the Authority pursuant to Section 3.01 hereof solely to pay the Costs of the Project.

Section 3.03. Disbursements of Loan Proceeds. The Lender shall disburse funds from the Fund only upon receipt of a requisition, appropriately completed and signed by an Authorized Borrower Representative in the form attached hereto as **Exhibit A.** Each request by the Borrower for disbursement shall constitute a certification by the Borrower that all representations made by the Borrower in this Loan Agreement remain true as of the date of the request and that no material adverse developments affecting the financial condition of the Borrower or its ability to complete the Project or repay the Loan have occurred since the date of this Loan Agreement unless specifically disclosed in writing by the Borrower with the request of disbursement. ARTICLE 4  
Payment Obligations of Borrower

Section 4.01. Loan Repayments. The Borrower agrees to pay to the Lender all Loan Repayments on each Loan Repayment Date, in the amounts and in the manner hereinafter provided. The repayment schedule requires payments of principal and interest to begin on the first Loan Repayment Date following the passage of sixty (60) days after the Project is completed. The repayment schedule initially attached hereto as **Exhibit D** is based on certain assumptions regarding disbursed principal amounts, the completion date and zero accrued interest. After the completion of the Project and prior to the first Loan Repayment Date thereafter, the Lender will furnish the Borrower a revised repayment schedule reflecting the actual principal amount disbursed together with the accrued interest thereon and the actual Loan Repayment Dates. This revised repayment schedule is to be substituted for the one initially attached hereto as **Exhibit D** and shall be conclusive absent manifest error. The revised repayment schedule shall not constitute an amendment of this Loan Agreement requiring approval by the parties hereto.

Section 4.02. Time and Manner of Payment. Except as provided in Section 4.05 hereof, the Borrower agrees to make each Loan Repayment directly to the Loan Administrator on or before each Loan Repayment Date in lawful money of the United States of America by electronic funds transfer of immediately available funds in accordance with instructions supplied from time to time by the Lender or the Loan Administrator.

Section 4.03. Payments: Obligation of Borrower Unconditional. The obligation of the Borrower to make payments hereunder and to perform and observe all other covenants, conditions and agreements hereunder shall be absolute and unconditional until payment of all Borrower obligations hereunder, irrespective of any defense or any rights of setoff, recoupment or counterclaim which the Borrower might otherwise have against the Lender. Until payment of all Borrower obligations hereunder, the Borrower shall not suspend or discontinue any such payment hereunder or fail to observe and perform any of their other covenants, conditions and agreements hereunder for any cause, including without limitation failure of consideration, failure of title to any part of all of the Projects, or commercial frustration of purpose, or any damages to or destruction or condemnation of all or any part of the Projects, or any change in the tax or other laws of the United States of America, the State of Tennessee or any political subdivision of either, or any failure of the Lender to observe and perform any covenant, condition or agreement, whether express or implied, or any duty, liability or obligation arising out of or in connection with any document in connection with the financing of the Project. Nothing contained in this Section, however, shall be construed to release the Lender from the performance of any of its obligations hereunder or under any documents related hereto.

Section 4.04. Reduction of Principal. The Loan will be reduced, and a new repayment schedule shall be provided to the Borrower as provided in Section 4.01, if less than the full amount of the Loan is disbursed to the Borrower.

Section 4.05. Prepayment. The Borrower may prepay all or any portion of the Loan and any accrued interest thereon at any time without penalty.

Agreement or any agreement or instrument relating to any of the foregoing or used or contemplated for use in the consummation of the transactions contemplated by any of the foregoing.

(j) The Borrower covenants to establish and maintain adequate financial records for the Project in accordance with generally accepted government accounting principles; to allow for an audit by the State of financial records and transactions covering any fiscal year for which a Project Loan has been approved and not yet repaid in full.

ARTICLE 6

Section 6.02. Remedies. Upon the continuing occurrence of an Event of Default, regardless of the pendency of any proceeding which has or might have the effect of preventing the Borrower from complying with the terms of this Loan Agreement, the Lender, or any other Person who has succeeded to the rights of the Lender hereunder, at any time thereafter and while such Event of Default shall continue, may, at its option, take any action at law or in equity to collect amounts then due and thereafter to become due hereunder, including without limitation declaring the unpaid principal and interest to be immediately due and payable, or to enforce performance and observance of any obligation, agreement or covenant of the Borrower under this Loan Agreement.
